

Service

Save on your  
servicing costs

Ford Protect Service Plans are designed to help you budget for the cost of maintaining your vehicle and give you peace of mind. You can choose to pay upfront or with 12 convenient monthly payments.

Available on vehicles up to 24 months old or before its first service, the plans include servicing and maintenance, including oil, brake fluid and filter changes, carried out by Ford-trained technicians, using genuine Ford parts.

## 2 Services up to 4 years / 80,000 km

Model	Recommended Retail Price (incl. VAT)	12 Monthly Payments (Incl. VAT)
Puma*	€ 680.00	€ 56.67
Kuga	€ 680.00	€ 56.67
Focus*	€ 700.00	€ 58.33

### Benefits of Ford Protect Service Plans

**Savings** – a Ford Protect Service Plan helps protect you against inflation by fixing your costs at today's prices

**Flexible payment options** – pay over 12 monthly instalments or a one-off payment up front

**Manage your spending** – helps you stay in control of your expenses by paying for your services ahead of time

**Keep your Ford a Ford** – all our work is done by Ford-trained technicians, using genuine Ford parts

**Maintain your vehicle to Ford standards** – all servicing is performed in line with Ford servicing schedules to help minimise the risk of major repair expenses

**The plan is transferable** – if you decide to sell your vehicle you can transfer your plan to the new owner

\*Excludes Puma Gen-E and Focus ST.

Terms and conditions apply. See [ford.ie/shop/extras/warranties/service-plans](http://ford.ie/shop/extras/warranties/service-plans) for further information. Retail customers only. Prices are Recommended Retail Prices and include labour parts and VAT. Includes the genuine Ford parts and labour costs to perform the routine service work for your vehicle in line with Ford standard service schedules.

The monthly payment plan is provided as a subscription by the third-party payment provider, Bumper.
