YOU OWN IT,
IT'S TIME TO
PROTECT YOUR
INVESTMENT.

TF Group is a **New Zealand** owned and operated company and has been supplying **DURA-SEAL** automotive protection products to the motor industry and recognised market leaders by providing quality products throughout the country for 30 years.

We provide three types of automotive protection.

Exterior:

Dura-Seal Premium Ceramic Paint Protection gives a protective coating to your paint to make it last.

Interior:

Dura-Seal Fabric Protection is a spirit based product for fabric upholstery and carpets.

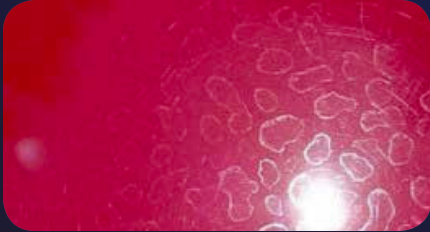

Dura-Seal Leather Protection keeps your leather upholstery soft and crack-resistant.

DURA-SEAL[®]

PREMIUM CERAMIC PAINT PROTECTION

Dura-Seal Premium Ceramic Paint Protection provides the most up-to-date paint protection technology for your new vehicle. It forms a hard durable finish which bonds **permanently** to your vehicles clear coat.

Dura-Seal Premium Ceramic Paint Protection will protect your paintwork from things such as:

Acid Rain

Sea Salt/Coastal Air and UV Rays

Tree Sap

Road Film

Bird Droppings

Pollens

**"CLEANING YOUR CAR GETS QUICKER WHEN
DURA-SEAL HAS BEEN APPLIED."**

Shinier than Before.

Relax, your car will wash like a dream preserving its appearance maximising your car's re-sale value.

UV Protected.

Protects the clear coat and reduce the impact of UV Light and other elements.

Easy to Wash.

No need to wax or polish your car again and saves a lot of time by making your car really easy to wash.

Protect and Preserve.

Protect against bird droppings, tree sap, acid rain and many other contaminants.

Earth-Friendly.

Environmentally friendly, no harsh wash products or conservers required.

Peace of Mind.

Our service is recognise by leading companies giving you satisfaction.

DURA-SEAL[®]

PREMIUM CERAMIC PAINT PROTECTION

UNTREATED

TREATED

How DURA-SEAL[™] Paint Protection Works

Dura-Seal Premium Ceramic Paint Protection forms an invisible and highly durable ceramic barrier that protects your vehicle's paintwork from the detrimental effects of constant exposure to environmental forces and naturally occurring contaminants.

DURA-SEAL[™] Premium Paint Protection Protective Coating

Magnified cross section of new unprotected paintwork

Traffic film and dirt and other atmospheric pollutants attack and corrode the surface of your paintwork

DURA-SEAL Paint Protection creates a durable protective skin with a silky high gloss finish

Pollutants, bird droppings, grime and dirt are repelled, no longer contaminating your paint. Washing and general maintenance are simple and polishing and waxing a thing of the past

How will it help me?

- It makes cleaning your car quick and easy using just a sponge and clean running water.
- It saves you time and money by not having to wax or polish your car.

OUR PRODUCT COMES WITH A COMPREHENSIVE WARRANTY.

You can call **0800 731 173** for more enquiries about the lifetime warranty.

DURA-SEAL[®]

LEATHER PROTECTION

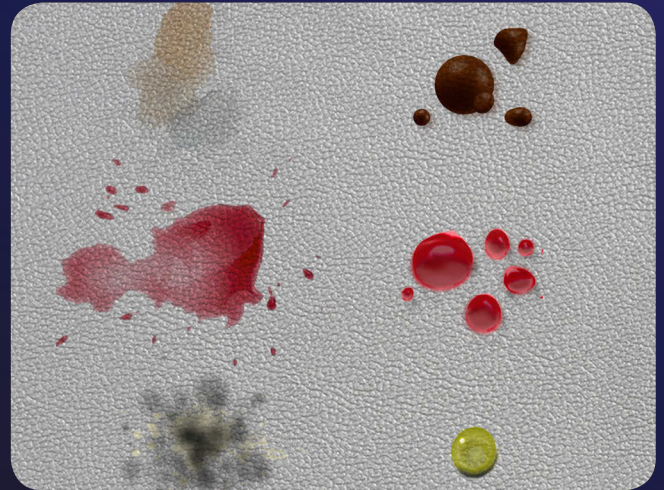

**LIFE TIME WARRANTY
WITH DURA-SEAL LEATHER
PROTECTION.**

Leather is a natural product and therefore needs to be maintained as it deteriorates due to soiling, air-conditioning, climatic conditions and normal wear and tear. This causes the leather to harden, crack and peel.

To ensure total protection, cleaning and protection twice a year is essential. The **DURA-SEAL Leather Protection** program ensures you receive enough product to last the lifetime of your warranty.

- With **DURA-SEAL Leather Protection**, your upholstery will stay soft, supple and crack resistant.
- **DURA-SEAL Leather Protection** prevents leather from drying and cracking and helps to maintain its original feel.
- **DURA-SEAL Leather Protection** assists with the removal of everyday soiling and reduces food and drink spills from permanently staining the leather.

- Cuts
- Burns
- Scratches
- Ink
- Cracking & Splitting
- Grease, oils & Stains
- Dirt such as soil & Dust
- Food
- Coffee & Soda Drinks

The DURA-SEAL Leather Warranty, covers you for one free repair call out per incident, when you accidentally damage your leather through a cut, scratches or burns.

DURA-SEAL[®]

FABRIC PROTECTION

DURA-SEAL Fabric Protection Helps prevent against accidental spills and stains, potentially causing permanent damage to your vehicle's fabric.

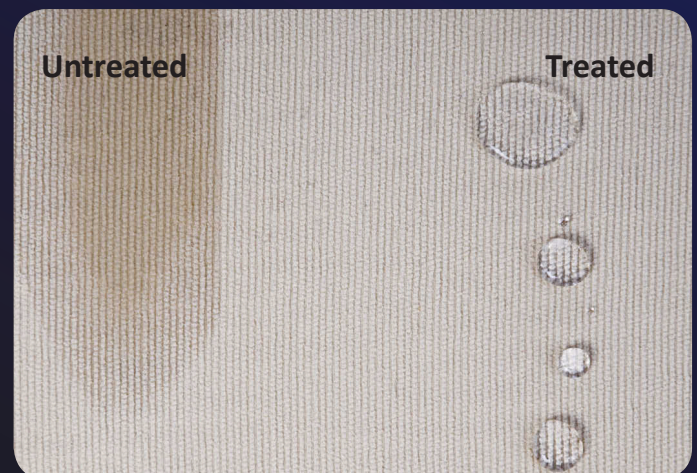

DURA-SEAL Fabric Protection Helps you by:

- Making it easy to maintain your upholstery and keeping it looking new.
- Resist everyday soiling and spills from staining your fabric or carpets.
- Saves you time by making your interior easy to clean.
- Odour-Free, Non allergenic and safe for children.

LIFE TIME WARRANTY WITH DURA-SEAL FABRIC PROTECTION.

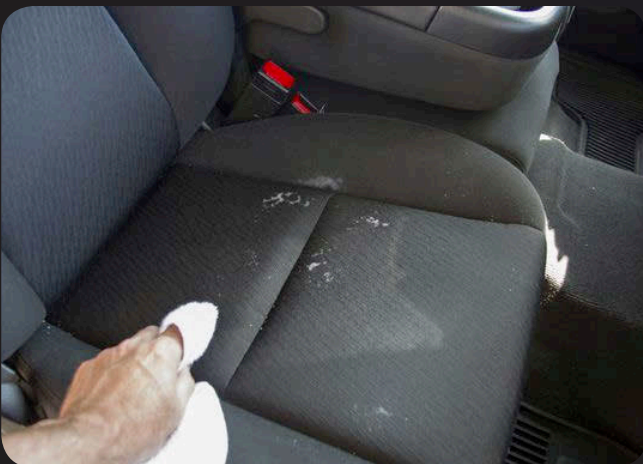

DURA-SEAL Fabric Protection's unique formulation penetrates deep into each fibre, creating an invisible barrier that protects your fabric and carpets. Making the removal of spills and stains easier.

DURA-SEAL Fabric Protection in Action

DURA-SEAL Fabric Protection Protects against stains such as:

- Grease, oils & Stains
- Coffee
- Lipstick and Makeup
- Dirt such as soil and dust
- Food
- Perspiration
- Soda Drinks
- Soy Sauce

DURA-SEAL[®]
